

BULLS EYE

Ceasefire only in name

Iran has cut off the noses of both the world's most respected man named Netanyahu and the traitor Trump who is eager for the Nobel Prize. Whatever feats Iran has done till now. It will definitely be recorded in history. A heartless person named Netanyahu who is the Prime Minister of Israel. He was insulting Iran. He was reminding humanity. But when this same Netanyahu committed many inhuman atrocities on Gaza. He tortured even small children. He killed thousands. Gaza, which was called 'the only owner of the house of the innocent', became a bloodbath without any need. Until then, Israel, which had always been victorious, had not found any great leader. The attack by Hamas was a grave crime of Hamas. This has to be accepted. After that, the deadly massacre of innocents by Israel. What can we call it. Iran has taken revenge for that. Adog like Israel seemed to have become a bull at the behest of America. But Iran has made such a fuss about Israel that now Israel will not even pronounce the word Iran for ten thousand years. Israel had the strength to fight for twelve days. In that, Israel thought that by destroying Iran in two to four days, they would be victorious. They wanted an excuse to attack Iran. Therefore, the United Nations explained that Iran does not have the power of nuclear war. Even after this was clarified, Israel launched the first attack. The counterattack by Iran after that was beyond what Israel could have imagined in its dreams. Israel had never seen such attacks. Once upon a time, Israel had destroyed five or six nations in the Middle East at once. At that time, Iran completely destroyed the intoxication that had gripped them in a few moments. Two or three days ago, Israel had come to the brink of destruction. Then he asked another idiot, the American Trump, to cut off Iran's nose with his stupid nose. The greedy Trump made the mistake of attacking Iran by listening to the desperate Netanyahu. In order to attack, what is not there is. By making such a call and making nuclear bombs, it was as if a nuclear attack was going to be carried out on America. In such a state of uncertainty, the so-called peace envoy Trump fired his weapons. Immediately after that, he also declared that Iran would surrender. But, he neither recognized Iran. Nor did he recognize it. Iran not only threatened to retaliate without adding any fuel to their attack. But honestly warning America, it attacked the American military base in Qatar. If Iran had wanted to kill humanity. It would have attacked without giving any prior warning. But because humanity is intact, it did not kill a single American soldier. Still, it showed America its power by beating that military base. Iran does not listen with love. It does not accept the threat. He does not dare to surrender and can destroy his monster son, Netanyahu and his nation with his own weapon of destruction. Since this fits Trump's head, Trump, who is famous for making jokes here and there and taking risks in advance, announced a ceasefire, i.e. an armistice, with his severed nose as a witness. He gave a three-hour period for the ceasefire. Just five minutes before it ended, Iran attacked Israeli cities with a heavy blow and caused huge damage to them. After that, it was not possible for Israel to violate the order of its boss, i.e. Trump. That is, Iran made good use of the time before the ceasefire and launched a massive attack, which Israel had to swallow with a sigh. After that, Iran clearly said that we did not attack after the ceasefire. But if Israel does anything wrong or wrong, we will not do anything about it. Now, Trump has no problem submitting his nomination for the Nobel Peace Prize. We have taken the lead in not one but two wars and have achieved a ceasefire, albeit with a narrow margin. That is why we will not be surprised if Trump, thinking that he is a noble man for Nobel, announces himself a Nobel Prize tomorrow. In any case, the world has been relieved by these two narrow ceasefires. At least for now, it seems that World War III has been averted. What a relief!

Fadnavis slams Rahul Gandhi over voter list

Mumbai, June 24 (UNI) Responding to the fresh barrage of charges by Leader of the Opposition in Lok Sabha, Rahul Gandhi, regarding voter list manipulation in the state, Maharashtra Chief Minister Devendra Fadnavis on Tuesday argued that Congress won at more than two dozen places where the voter turnout increased by over eight percent. "...juth bole kauwakate, kale kauwese dariyo..." it's understood that the pain of Maharashtra's crushing defeat is growing day by day. But how long will you keep shooting arrows in the air?" he said in a post on X, while responding to the charges as he reels out facts and figures. According to him, there are more than 25 constituencies in Maharashtra where voter turnout increased by over eight percent between the Lok Sabha and Assembly elections, and Congress won in many of those places. "In the West Nagpur constituency, adjacent to my South-West region, voter turnout increased by seven percent (27,065) and Congress candidate Vikas Thakre won the election. In North Nagpur also, voter turnout increased by seven percent (29,348) and Nitin Raut of Congress won. In Pune district's Wadgaon Sheri, voter turnout increased by 10 percent (50,911) and Bapusaheb Pathare from the Sharad Pawar faction won. In Malad West, voter turnout increased by 11 percent (38,625), and your Congress party's Aslam Shaikh won. In Mumbai, voter turnout increased by nine percent (46,041) and Jitendra Awhad from the Sharad Pawar faction won," Fadnavis said. "Even if not with allied parties, it would have been better if you had spoken to your own party's long-time associates like Aslam Shaikh, Vikas Thakre and Nitin Raut before this tweet. At least the Congress wouldn't have performed so poorly due to lack of communication," he added.

Operation Sindhu: More flights bring back Indians evacuated from Iran and Israel

New Delhi, June 24 (UNI) Amid the Middle East conflict, Operation Sindhu saw more Indians evacuated from Iran and Israel arriving in New Delhi, along with some Sri Lankan and Nepalese nationals. So far, 2,576 Indians have been evacuated from Iran, while 594 Indians have been brought back from Israel. The MEA spokesperson gave information in posts on X: On the latest evacuation from Iran, he posted that Minister of State for External Affairs Pabitra Margherita received the latest batch of 281 Indians, three Sri Lankan nationals and two Nepalese, evacuated from Iran, in Delhi.

Maha government goes completely paperless, distributes iPads to ministers

Mumbai 24 June: In a significant move to digitalise India, the Maharashtra government on Tuesday decided to go completely paperless. All the ministers were given iPads to help them perform their routine official tasks efficiently. Food and Civil Supplies Minister Chhagan Bhujbal told UNI that cabinet agendas, notes and minutes of previous meetings will now be shared via email with ministers and the Chief Minister. These documents can be accessed directly on the provided iPads. The ministers were then given a briefing on how to use the iPad effectively by the state's Information Technology Department. Each minister received login credentials, including passwords for the devices and their official email accounts. Presentations (PPTs) made during cabinet meetings, as well as records of past cabinet decisions, will also be available through

their emails. To implement an e-cabinet system, the state government had decided to distribute iPads to the ministers for 1.6 crore. However, earlier, the government had cancelled

the work order to buy 50 Apple iPads after the supplier said that the iPad was not immediately available. RTI Activist Vijay Kumbhar had also criticised this move.

I never contested cooperative society election while in govt: Sharad Pawar criticises Ajit

Baramati (Pune), June 24 (UNI) Nationalist Congress Party (NCP-SP) Supremo Sharad Pawar on Tuesday criticised Maharashtra Deputy Chief Minister Ajit Pawar for contesting the Malegaon sugar factory election and said that people holding high government positions should stay away from cooperative society polls. "I have never contested cooperative society elections while in government in my 40 years of career," said the veteran leader. Pawar was talking to reporters in Baramati in the backdrop of Ajit Pawar's Nilkantheshwar panel winning a clear victory in the Malegaon Cooperative sugar factory election. Ajit Pawar is himself one of the contestants in the sugar factory election. "In my 40-year career, I have not

contested any cooperative election while holding a government office. If the opposition faces any problem, how can a person in government who is the head of a factory give justice to the opposition", the senior Pawar said

Raut slams Fadnavis, Shinde

Mumbai, June 24 (UNI) Shiv Sena (UBT) leader and MP Sanjay Raut on Tuesday lashed out at state Chief Minister Devendra Fadnavis and his deputy Eknath Shinde over alleged neglect of the Marathi language and their bid to promote Hindi language, accusing them of being enemies of Maharashtra. Fadnavis is the Chief Minister of this Marathi state and he should first work to improve poor condition of the Marathi schools, he said. Criticising further, Raut said that Fadnavis should see how the Marathi language can gain strength and how the Marathi people can live with dignity in Marathi soil. The Sena (UBT) leader cautioned the Chief Minister to take care that he does not become a slave of industrialist Gautam Adani and Lodha Builders. There is no need for Maharashtra to take Hindi seriously, he asserted and said that people of Maharashtra and Mumbai know Hindi. "If there was enmity between Maharashtra and Hindi, would Hindi films, literature and schools be running in the state," he questioned.

India welcomes reported ceasefire between Israel, Iran, says willing to play role in peace efforts

New Delhi, June 24 (UNI) India on Tuesday welcomed the reports of ceasefire between Israel and Iran and the role played by US and Qatar in bringing it about, reiterating that there is no alternative to dialogue and diplomacy to resolve multiple conflicts in the region. A spokesman of the External Affairs Ministry said India stands ready to play its part in these efforts and hopes that all concerned parties will work towards sustained peace and stability. "We welcome reports of a ceasefire between Iran and Israel and the role played by the US and Qatar in bringing it about," the spokesman said while expressing 'deep concern' at the prospects for overall and sustained regional security and stability. The spokesman said India has been following developments overnight relating to the conflict between Iran and Israel, including the US action against Iran's nuclear facilities and

Iranian retaliation against US military bases in Qatar and remains deeply concerned about the prospects for overall and sustained regional security and stability. "India stands ready to play its part in these efforts and hopes that all concerned parties will work towards sustained peace and stability," the spokesman added.

Father, son die of electrocution in Jamkhed

Ahilyanagar, June 24 (UNI) A 42-year-old man and his son died after electrocution in Shikare Vast in Jamkhed taluka of the district on Monday evening. According to police, the deceased were identified as Kakasaheb Daulat Shikare (42) & Ganesh Kakasaheb Shikare (15). Kakasaheb Shikare, a member of Balghan GP in Shikare Vasti of Jamkhed, and his son Ganesh had gone to apply fertiliser to farms. At this time, both died from electrocution from MSEB overhead wires that were already broken at that place.

Shrinete slams Modi Govt over US travel advisory on India

New Delhi, June 24 (UNI) Congress spokesperson Supriya Shrinete on Tuesday slammed the Narendra Modi government over the recently issued "US travel advisory" that warns American citizens, especially women, against travelling alone in India, citing incidents of rape, violence and the potential for terror attacks. "It is deeply ironic and damaging that such an advisory has been issued for India, a nation

striving for global leadership. This has far-reaching implications on our international standing," Ms Shrinete said while addressing a press conference here. She said

that no similar advisory has been issued for Pakistan—a country "widely acknowledged as a terror hub" that shelters internationally designated terrorists like Masood Azhar, Hafiz Saeed, and Dawood Ibrahim. The senior Congress leader also criticised the reported invitation extended to Pakistan's Field Marshal Asim Munir for a dinner with US President Donald Trump.

England opens unbroken at Day 5 lunch, India toil

Leeds, June 24 (UNI) England made a strong statement in their pursuit of a challenging target of 471, reaching 117 for no loss at lunch on Day 5 of the ongoing Test, with openers Zak Crawley and Ben Duckett laying a solid foundation under overcast conditions. Despite the gloomy skies and early movement, Indian pacers Jasprit Bumrah and Mohammed Siraj kept things tight in the first hour, but the breakthrough eluded them. Prasidh Krishna showed flashes of promise but struggled with consistency in his line. Shardul Thakur bowled just three overs, while Ravindra Jadeja found little assistance from the surface and did not extract much turn. Duckett took advantage of Krishna's erratic lengths, cruising to a fluent half-century off 66 balls, peppered with

eight boundaries. Crawley, meanwhile, played the supporting role with a more cautious approach, defending straight and timing his drives neatly. India repeatedly asked for a ball change and were finally granted one three overs before lunch. Bumrah immediately returned and

generated a half-chance that went down, adding to India's frustration. There was a brief moment of success for India when Crawley was adjudged LBW on 15.4, but the decision was overturned on review. With England resuming the day on 21 for no loss, their openers have added 96 runs in the first session, clearly dominating proceedings. As the pitch eases further and the sun threatens to peek through, the upcoming afternoon session may tilt further in the batsmen's favour. With Duckett on 64 and Crawley on 42, and all ten wickets intact, England will look to shift gears post-lunch.

GEARING UP FOR MONSOON..

Mule joins as Thanedar Darwha

DARWHA / NAGPUR POST: Police have launched a crackdown to control illegal businesses in the city and rural areas. Newly appointed Thanedar Shivprakash Mule has launched a campaign against these businesses. Thanedar Vilas Kulkarni was transferred to Mukutban. Therefore, Shivprakash Mule was appointed to the vacant post. He initially held a meeting of police officers and employees. He said that illegal liquor sale, gambling, matka, cock fighting market and other irregularities will not be allowed within the limits of Darwha police station. He held a meeting of police and put them to work. After that, a crackdown was launched against illegal businesses. The campaign will continue. Shivprakash Mule had earlier made his career as Singham Thanedar in Mahur. He brought many criminals. He stopped illegal businesses. He also implemented various initiatives including liquor ban in 24 villages. After joining Darwha, the expectations of the citizens here have increased. In the meantime, illegal businesses had raised their heads in Darwha taluka. The number of thefts and burglaries increased. A robbery took place in city. Due to encroachment, illegal traffic, and vehicle parking at the main square, it was difficult for citizens to walk on the roads, and they had to face great hardship on Sundays during the weekly market. It was said that the police were no longer vigilant. After the appointment of the new Thanedar, it seems that some things have been curbed. But further improvements and permanent measures are needed.

Father son duo arrested for running sex racket

Nagpur 24 June: In a major crackdown, the Social Security Branch (SSB) of the Crime Branch on Monday busted a sex racket being run by a father-son duo at OYO Green Guest House, located behind Jayanti Nagari 07 in Dattadham Nagar, Besa Road, under the jurisdiction of Hudkeshwar Police Station. Two victimized women were rescued during the operation. The accused have been identified as Prajwal Sachin Tule (22) and his father Sachin Gangadhar Tule (47), both residents of Dattadham Nagar, Besa Road. Police sources confirmed that the duo is reportedly close aides of notorious gangster Santosh Ambekar and have a history of serious criminal offences, including murder and attempted murder cases registered against them. The raid was conducted based on a tip-off received by the Crime Branch. A team led by Police Inspector Gajanan Gulhane carried out the operation between 4:20 PM and 8:30 PM on Monday. The team included Head Constables Prakash Mathankar, Vivek Adhav, WHC Anup Yadav, NPC Sheshrao Raut, and Police Constables Kunal Masram, Sameer Sheikh, and Kunal Bokhade. During the operation, police found the two women being forced into prostitution. They were rescued and sent for medical examination. Authorities seized two mobile phones valued at Rs 40 thousand, a packet of condoms worth Rs 10, and Rs 2,600 in cash, totaling a seizure of Rs 42,610. A case has been registered at Hudkeshwar Police Station under Sections 143(2)(3) of the Bharatiya Nyaya Sanhita (BNS) and Sections 3, 4, and 5 of the Prevention of Immoral Traffic Act (PITA), 1956. The rescued women and seized materials have been handed over to the Hudkeshwar Police for further legal proceedings. The bust has once again exposed how organized criminal elements are exploiting women through illegal activities under the guise of hospitality. Investigations are ongoing to determine the full extent of the racket and identify other potential accomplices.

Ex-driver sets two trucks on fire over financial dispute with owner

Nagpur 24 June: In a shocking incident near the Dainik Bhaskar office on the Ashok Chowk—Baidhyanth Chowk Road on Monday, two parked trucks caught fire, with both cabins completely destroyed, resulting in losses worth lakhs of rupees. Preliminary investigation suggests that the fire was intentionally set using petrol, allegedly by a former truck driver over a financial dispute.

The incident occurred on Monday afternoon, prompting an immediate response from the Fire Department, which deployed two fire tenders to bring the blaze under control. No injuries were reported, but the truck cabins were reduced to ashes. Acting swiftly, the Imamwada Police detained

the accused, Akash Tekam (40), a resident of Beltarodi, who earlier worked as a driver and loader on the trucks. The trucks were owned by Sidappa, who had recently terminated Tekam's employment due to his alleged substance abuse. According to truck

owner Sidappa, he had fired Tekam around 10 days ago due to his addiction issues. "He used to call me only when he was intoxicated. I told him to settle accounts once he was sober," said Sidappa. He further added that Tekam had already started working elsewhere

and was not in further contact. Police suspect that Tekam poured petrol into bottles and intentionally set the vehicles ablaze as an act of revenge. He was spotted near the scene shortly before the fire broke out. The Imamwada Police are interrogating him to ascertain the full motive and source of the petrol. Senior Police Inspector Rahul Shire of Imamwada Police Station was present at the scene with his team. Authorities halted traffic from Ashok Chowk to Baidhyanth Chowk to facilitate the movement of fire tenders, helping prevent the fire from spreading further. The Imamwada Police have registered a case and are investigating the incident under relevant sections of arson and criminal damage.

Triple seat bike on wrong side collides with pickup on Nagpur-Amravati Highway; 1 dead, 2 critical

Nagpur 24 June: In a tragic mishap on Monday afternoon, a triple-seat motorcycle riding on the wrong side of the Nagpur-Amravati National Highway collided head-on with a Bolero pickup truck near Bharatnagar, under Wadi Police Station limits. The accident left one man dead on the spot and two others critically injured. The deceased has been identified as Uttamkumar Mangalaram Thakur (35), a resident of Ambazari and an employee of the Ordnance Factory, Nagpur. His two injured friends, Satish Lakda (28) and Fulchand Ikka (32), were riding with him on a motorcycle (MH-31/EX-1246) towards Waddhamna from Athwa Mile, in clear violation of traffic norms—triple-seat and wrong-way driving. Eyewitness accounts suggest that the bike rider was allegedly under the influence of alcohol, which may have contributed to the accident. Around 12 pm, a Bolero pickup truck (MH-49/BZ-0093) heading towards Wadi from Waddhamna rammed the motorcycle head-on. The collision was so intense that Uttamkumar died instantly, while the other two sustained serious

injuries and were rushed to a nearby hospital. The pickup driver fled the scene after the incident. Wadi Police have registered a case and launched a manhunt to trace the absconding driver. Authorities are also probing the role of drunk and negligent driving by the motorcycle rider. A panchnama was conducted at the site and further investigation is underway.

Nagpur Bharosa Cell counsels 98% family disputes since 2017

Nagpur 24 June: In a major boost to police-led family counselling services, the Bharosa Cell in Nagpur has successfully counsels 98% of the family dispute cases it received since its establishment in 2017. Notably, around 40% of couples chose to reunite and continue their married life following counselling, said Commissioner of Police Dr. Ravinder Kumar Singal on Monday, June 23, during the inauguration of the Cell's newly constructed building on Katol Road, near the Police Headquarters. Despite limited resources and increasing domestic conflicts, the Nagpur Police's Bharosa Cell has emerged as a vital institution for conflict

resolution and marital counselling. Dr. Singal emphasized how domestic disputes, if unresolved, often escalate into violence or legal cases. He added that the newly inaugurated building—built on officially allotted police land—will soon feature a children's play area, making it more family-friendly. Joint Commissioner of Police Ravinchandra Reddy noted that the Bharosa Cell was previously operating from a rented space in Subhash Nagar, which many citizens found inconvenient. This led to plans for two more Bharosa Cells in the city. However, due to manpower limitations, the plan couldn't be executed. "With the new centrally located building,

the Bharosa Cell is now more accessible to the public and better equipped to serve families in distress," he said. Additional Commissioner of Police Vasant Pardeshi highlighted how the Bharosa Cell helps couples avoid long court procedures through effective counselling. He added, "The rain that graced the inauguration event seemed symbolic of the Cell's goodwill and tireless efforts to keep families together." Senior police officials including DCP Lohit Matani, Rahul Makhnkar, Shweta Khedkar, Ashwini Patil, and other high-ranking officers from the Nagpur Police Department were present at the inauguration event.

Missing deaf mute children found safe after 5 hour police search in Wathoda

Nagpur 24 June: In a heartwarming rescue operation, two deaf-mute children who went missing from Bidgaon in Wathoda were found safe after a five-hour joint search by the Wathoda Police and alert local residents. The operation, which ended around 2:30 am on Sunday, brought massive relief to their anxious family and the city's police force. The missing children, aged five and six, had recently arrived from Bihar to stay with their relatives in Bidgaon, under Wathoda police limits, just 15 days prior. On Saturday evening around 5:00 pm, the cousins last saw the two kids playing outside their home. When the children failed to return after a long time, the family began searching. After their efforts yielded no result, they panicked and informed

the Wathoda Police Station. Responding swiftly, Wathoda police circulated the children's physical descriptions and photographs to the city police control room and nearby police stations. Commissioner of Police Dr. Ravinder Kumar Singal personally arrived at the scene along with senior officers. Multiple teams—including beat marshals and the Crime Branch—were deployed to track the children. Police vans patrolled the neighborhood, broadcasting messages and seeking public assistance. Locals actively joined the search, demonstrating strong community cooperation. During the search, a local resident informed the police about seeing the children near a railway bridge and a

reservoir. Officers were immediately sent to check the area. While police feared the worst and searched the reservoir, no signs of the children were found there. Eventually, around 2:30 am, the children were spotted walking near the railway tracks close to Chhatrapur Farm, about 3 kilometers from their home. Police, assisted by residents, brought the children safely to the station and reunited them with their family. According to

the police, the children had unknowingly wandered off too far while playing and lost their way. Being mute and deaf, they were unable to ask for help and kept walking in the wrong direction. The successful rescue operation was led by PI Harish Borade and PSI Madhav Gundekar, along with their team. Locals Sachin Dhomne, Prajwal Wasnik, and Guddu Shevne were also instrumental in helping the police trace the missing children.

Faculty Development Program on Arthasastra and Nitisastra concludes at SCMS

Nagpur 24 June: A significant stride in the integration of Bharatiya knowledge systems into modern academic discourse was marked by the successful completion of a two-day Faculty Development Program (FDP) on Indian Knowledge Systems: With Special Focus on Arthasastra and Nitisastra at Symbiosis Centre for Management Studies (SCMS), Nagpur. Held on 17th and 18th June 2025 in a hybrid format, the FDP was jointly organized by Jagatguru Shri Devnath Institute of Vedic Science and Research (JSDIVSR), SCMS Nagpur, and the

Symbiosis Teaching Learning Resource Center (STLRC), under the purview of an MoU signed on 13th May 2025 between JSDIVSR and SCMS Nagpur. This pioneering FDP was facilitated by Dr. Bharat Dash, a certified IKS Master Trainer from JSDIVSR, who conducted in-depth sessions on the ancient Indian treatises Arthasastra and Nitisastra. His lectures shed light on the foundational principles of governance, leadership, and ethics embedded within these texts. Of particular interest was the discussion on Chanakya's Saptanga Theory, which was expertly

contextualized for contemporary applications in management and organizational structure—demonstrating its continued relevance in modern-day academic and professional settings. The program was a product of collaborative vision and leadership from Acharya Shreyas Kurhekar, Director of the JSDIVSR IKS Center, and Shri Anurag Deshpande, the Board member of JSDIVSR. It was effectively managed and executed under the stewardship of Dr. Sameer Pingle, Director of SCMS Nagpur, with program coordination by Dr. Zericho Marak. The Advisory

Committee comprising Dr. Bhalchandra Hardas, Dr. Praful Sable, and Shri Niranjan Deshkar provided strategic guidance and academic oversight throughout the program. The FDP was exclusively tailored for faculty members from various campuses of Symbiosis International University across India, reflecting the growing momentum toward integrating Indian Knowledge Systems within the higher education curriculum. Encouraged by the enthusiastic response and academic rigor of this event, the organizers have announced plans to initiate similar FDPs open to a broader academic audience in the near future. This initiative reaffirms the commitment of both JSDIVSR and SCMS Nagpur to revitalizing and mainstreaming Bharatiya knowledge traditions, aligning education with the profound insights offered by India's civilizational heritage.

NMC election in 2026? New govt notification sparks speculation

Nagpur 24 June: Municipal corporations across Maharashtra—including major ones like Mumbai, Nagpur, and Pune—have been under administrative rule for the past three years. Citizens have long been awaiting the formation of a new elected body, but that wait may be extended even further. A new notification by the state government regarding ward delimitation has fueled speculation that the civic elections may be pushed to early 2026. The Urban Development Department has now extended the deadline for submitting the final ward delimitation report from September 4 to September 6, 2025. Given the timeline for subsequent

processes—including reservation allocations and the preparation of the final voters' list—the likelihood of municipal elections taking place within 2025 has diminished. **Key Deadlines in the New Notification:**
■ June 11–16, 2025: Arrangement of enumeration groups
■ June 17–July 24, 2025: Preparation of draft ward structure
■ August 1–5, 2025: Submission of draft to the Urban Development Department
■ July 6–11, 2025: Proposal of draft ward structure to the Election Commission
■ Late July: Publication of draft ward

structure; public objections suggestions invited
■ August 29–September 8, 2025: Hearings on objections
■ September 9–15, 2025: Submission of final ward structure to the Urban Development Department
■ September 16–22, 2025: Final submission to the State Election Commission
■ October 3–6, 2025: Final ward structure to be published
Once the ward structure is finalized, the process of determining reservation for OBC, SC, and ST categories will begin. This is expected to take around 8 days. Following that, the compilation of the final voter list will require another 6 to 8 weeks. Considering this timeline, the civic elections—originally expected in late 2025—are now all but certain to take place in early 2026. The delay has sparked debates in political and civic circles, as many had anticipated polls within the 2025 calendar year. The official timeline, however, paints a different picture—reinforcing the notion that Nagpur Municipal Corporation (NMC) elections are likely headed for 2026.

Two notorious criminals from Akot file detained for one year under MPDA act in Akola

Akola 24 June (NAGPUR POST/DC): In a firm move to curb rising criminal activities in the region, two notorious criminals from Akot File, Akola district, have been detained under the Maharashtra Prevention of Dangerous Activities (MPDA) Act for a period of one year. The detainees include Santosh alias Shetti Purushottam Yangad (33), a resident of Jabbarkirana, Purpidhit Quarter, Akot File, Akola, who has a long criminal history. He is accused in several serious offenses including attempt to murder, robbery, voluntarily causing grievous hurt using deadly weapons, unlawful assembly, rioting, criminal trespass, threats, possession of illegal arms, and breach of peace. Similarly, another criminal, Rushikesh alias Rushi Ambadas Bele (23), a resident of Ladies File, Akot File, Akola, also has multiple criminal cases against him such as robbery, grievous assault using deadly weapons, obscenity, illegal possession of weapons, intimidation, and disruptive behavior. Despite earlier preventive actions under various legal provisions, both

individuals continued their criminal activities unabated. Considering the gravity of the situation and their potential threat to public peace, Superintendent of Police Archit Chandak recommended their detention under MPDA to the District Magistrate. After thoroughly reviewing the legal aspects and confirming the threat posed by the two criminals through his own sources, District Magistrate Ajit Kumbhar issued a detention order on June 23, 2025. Accordingly, both

individuals were immediately apprehended and lodged in Akola District Jail. This operation was carried out under the guidance of SP Archit Chandak and led by Additional Superintendent of Police Abhay Dongre, Sub-Divisional Police Officer Satish Kulkarni, and officers from the Local Crime Branch including Inspector Shankar Shelke, API Majid Pathan, and team members from Akot File Police Station—Inspector Sheikh Rahim, Anis Pathan, Prashant Ingle, Yogesh Katkar, Santosh

Chincholkar, Harshal Shriwas, Imran Shah, and Girish Tidke. Superintendent of Police Archit Chandak has warned that strict action under MPDA and other prevailing laws will continue against repeat offenders who defy legal warnings, especially in view of the upcoming Zilla Parishad and Municipal elections and the festive season. He also informed that a total of 10 dangerous individuals have been detained under the MPDA Act in Akola district since January 2025.

Yoga and Music Day celebrated with enthusiasm at Vidyaniketan CBSE School

Dhamangaon Railway 24 June: Vidyaniketan CBSE School, run by Dhamangaon Education Society, celebrated both International Yoga Day and World Music Day with great enthusiasm and active participation from hundreds of students. The programme commenced with the traditional Saraswati Poojan, performed by School Principal Ravi Deshmukh and Vice-Principal Sai Neerja. Following this, under the guidance of Sports Teacher Vaibhav Deshmukh, students received comprehensive yoga training. Various yogasanas and pranayama techniques such as Kapalabhati, Bhastrika, Bahya, Anulom-Vilom, Bhramari, Om chanting, Tadasana, Vrikshasana, and

Pawanmuktasana were taught during the session, helping students understand their physical and mental benefits. In his address, Principal Ravi Deshmukh emphasized, "Yoga and music are the master keys to physical, mental, and spiritual development. Regular practice of both brings peace and stability to the mind." Adding a melodious touch to the programme, Sagar Thakre beautifully explained the importance of both yoga and music and captivated the audience with a soulful song performance. The programme began with a welcome speech and was anchored by Gayatri Shinde. The event saw enthusiastic participation from all teachers, non-teaching staff, and students, making it a memorable celebration.

Subsidy announced for onion storage units, farmers urged to apply on MahaDBT portal

Akola 24 June (NAGPUR POST/DC): Under the Integrated Horticulture Development Scheme for the financial year 2025-26, the Maharashtra government has provisioned significant subsidies for farmers to construct low-cost onion and garlic storage units and adopt protected farming techniques. District Superintendent Agriculture Officer S.S. Kirve has urged farmers to apply under the "Horticulture" section on the MahaDBT portal (<https://mahadbt.maharashtra.gov.in>). Farmers owning land are eligible for subsidies on storage units with a capacity of 5 to 1000 metric tons. The subsidy structure includes Rs 10 thousand per ton for 5-25 MT, Rs 8 thousand per ton for 25-500 MT, and Rs 6 thousand per ton for 500-1000 MT. For projects exceeding Rs 30 lakh, availing bank loans is mandatory, and such projects will qualify for Credit Linked Back-Ended Subsidy. Applicants must possess land in their name and have onion cultivation registered on their 7/12 extract. Eligible beneficiaries include individual farmers, farmer groups, women's groups, self-help groups, producer companies, cooperative societies, and marketing federations. Additionally, the scheme covers modern protected farming components like greenhouses (OVPH/CCPH), shade net houses, plastic mulching, fruit covers, weed mats, hydroponics, and aeroponics. Subsidies of up to 50% are available based on unit costs per square meter or hectare. The estimated cost for greenhouses is Rs 1000-Rs 1200/sq.m., with subsidies ranging from Rs 3 lakh to Rs 37.5 lakh. For shade net houses, the cost is Rs 710/sq.m., with subsidies of up to Rs 8.87 lakh for 5-25 gunthas. Other components include Rs 4/sq.m. for mulching, Rs 50,000/hectare for fruit covers, Rs 1 lakh/acre for weed mats, and Rs 3.5 lakh for hydroponics and aeroponics over 10 gunthas. Farmers are encouraged to leverage these modern techniques to enhance productivity and profitability. For more details, they should contact their respective Taluka Agriculture Officer.

Bitumen roads in vicinity of Nimkhed & Surli severely damaged within a year

substandard materials. Large potholes have emerged, and roadside shoulders have disappeared, raising serious concerns for public safety. During the monsoon, water accumulation and mud make it difficult to distinguish between road and mire, endangering commuters. Yogesh Isal, District President of the Consumer Protection Cell (Congress), has filed a formal complaint with the PWD sub-division and demanded immediate repairs by the concerned contractor. He further alleged that the roadwork was executed with blatant disregard for quality standards, hinting at large-scale financial irregularities.

Allegations of Corruption

The road's shoulders were not properly filled on either side, fueling suspicions of financial corruption. Locals now await action from senior authorities to address these concerns.

Bogus Work Licensed by Negligence

Citizens claim the lack of quality checks and oversight from engineers has effectively licensed poor workmanship. A thorough investigation by the quality assurance department could reveal widespread irregularities and collusion between officials and contractors. There is a strong public demand for strict action against those responsible.

MJP project hampering PWD roadwork in Deurwada, public funds allegedly misused

Chandur Bazar 24 June (NAGPUR POST/BADALKUMAR DAKRE): In a concerning example of inter-departmental mismanagement, a PWD road construction project worth crores near Deurwada has been disrupted due to incomplete and careless work by the Maharashtra Jeevan Pradhikaran (MJP). Paver blocks near the government hospital were removed for MJP-related work but were never reinstalled, leaving the site in disrepair. Additionally, stormwater drains were never constructed along the newly built road, leading to stagnant water and increased risk of accidents. Meanwhile, roadside encroachments have worsened, and the local gram panchayat appears to have turned a blind eye to the situation. While paver blocks were to be laid on both sides of the road, they have only been partially installed, raising serious questions about fund utilization and accountability.

Missing Pavement Blocks

Paver blocks that were installed only near the hospital have vanished from other parts of the road. Locals allege that the PWD and gram panchayat have deliberately ignored the issue while shielding the contractor responsible.

Online admission process begins for government hostel at Barshitakli

Akola 24 June (NAGPUR POST/DC): The admission process for the Government Hostel for Backward Class Boys at Barshitakli has commenced for the academic year 2025-26. The hostel, run by the Department of Social Justice and Special Assistance, is accepting online applications for students of Class 8, 11, and those pursuing graduation. Interested students must apply at <https://hmas.mahiti.org>.

Admissions are granted based on reservation quotas and vacant seats for different castes. The hostel provides free accommodation, meals, bedding, monthly allowance, stationery, uniforms, umbrellas, and gumboots. It also offers round-the-clock security and a free e-library. Eligible students from Barshitakli or other villages must submit the printout of their online application at the hostel during office hours.

Applications invited for 'More Crop per Drop' scheme under RKVY

Akola 24 June (NAGPUR POST/DC): Under the Rashtriya Krishi Vikas Yojana, the application process for the 'More Crop per Drop' micro-irrigation scheme has begun for Scheduled Caste (SC) and Scheduled Tribe (ST) farmers in the district. A budget of Rs 2 crore for SC and Rs 21 lakh for ST beneficiaries has been approved. Eligible farmers

are encouraged to apply via the MahaDBT portal at <https://mahadbt.maharashtra.gov.in> for setting up drip or sprinkler irrigation systems. District Superintendent Agriculture Officer Shankar Kirve advised applicants to ensure all required documents are submitted and contact their Taluka Agriculture Office for further guidance.

One day workshop on Agricultural Marketing for APMC directors held

Akola 24 June (NAGPUR POST/DC): A one-day agricultural marketing workshop was held at Hotel Center Plaza, Akola, for chairpersons, vice-chairpersons, directors, and secretaries of Agricultural Produce Market Committees (APMCs) across Akola district. The event was jointly organized by the Maharashtra State Agricultural Marketing Board, Pune, and the National Institute of Post-Harvest Technology, Talegaon Dabhade. About 80 trainees participated. The session focused on educating newly elected directors about the proper use of market fees under

Section 37, market grading systems, government schemes for APMC infrastructure, and the regulation of agricultural produce within market limits. District Deputy Registrar Dr. Pravin Lokhande urged participants to utilize various schemes to boost income and development. Assistant Registrar Abhay Katke elaborated on the use of market fees and grading systems, while Agriculture Department Officer Vilas Washimkar addressed regulation and produce-related norms. Dinesh Daga of the Marketing Board and other experts conducted presentations and answered queries.

Training session for urban and rural cooperative credit societies held

Akola 24 June (NAGPUR POST/DC): In celebration of the International Year of Cooperatives, a training session was organized jointly by the Maharashtra Cooperative Development Corporation (MCD), Pune, and the District Deputy Registrar's Office for urban, rural, and salaried cooperative credit societies in Akola. The session was held at the Akola District Zilla Parishad Primary Teachers' Credit

Society auditorium. The program was chaired by Dr. Pravin H. Lokhande, with a welcome by State Coordinator Dhananjay Doiphode. Prakash Jadhav discussed legal procedures for loan recovery, while R.S. Bodkhe elaborated on the Maharashtra Cooperative Societies Act, financial benchmarks, CRAR, CD ratio, and more. Cyber security, cryptocurrency scams, and use of AI in cooperative

management were explained by Sachin Wani, Chief Executive Officer of Priyadarshini Cooperative Bank, Jalna. A total of 212 trainees attended the training session. Organizing efforts were supported by office bearers and activists including J.S. Sahare, D.D. Gopnaryan, M.K. Vikhe, V.P. Khandare, and S.D. Narwade, along with the management of the host credit society.

Sand distributed to Gharkul holders

KALAMB / NAGPUR

POST:On June 19, 2025, Mandal Officer Pravin Chachane and Talathi Satghare saw an abandoned fifteen brass sand deposit on the bank of the Wardha river in Hivra (Darne) under Kalamb tehsil, and it was distributed to the Gharkul beneficiaries on the orders of Kalamb Tahsildar Dhiraj Sthul. For the last three years, the ruling government has stopped the sand ghat auction process. It is not possible for the Gharkul beneficiaries to get stolen

expensive sand. So, every night, illegal sand extraction is going on by distributing some amount to khaki and revenue employees. This expensive sand is falling in front of the houses of the rich every night and the beneficiaries who have received houses for the last three years have not fulfilled their dream of a house due to lack of sand and it is not possible to build a house with expensive sand from the meager house fund approved by the government. On June 19,

suddenly, Mandal Officer Prasad Chachane saw a pile of 15 brasses that had been dug up from the riverbed near the Wardha river. After informing Tehsildar Dhiraj Sthul and since no one had the ownership of the illegally dug stolen sand, on the orders of the Tehsildar, on June 20, one brass of sand was distributed to each of the fifteen house beneficiaries in Hivara (Darne) by Resident Deputy Tehsildar Anant Bakale, Mandal Officer Pramod Chachane and Talathi Satghare.

As soon as information about the incident was received, forest department officials and employees reached the spot. Preliminary investigation revealed that the tiger had lost its teeth due to advanced age. As per latest reports obtained till the time of writing the news, the tiger was being brought to Chandrapur for autopsy. The analysis of the carcass and the report of the veterinary officer will throw light on the circumstances leading to the death of the big cat. On the occasion, Anjali Sindewahi (RFO), Navargaon Sub-Forest circle area assistant SB Usendi (RO) Navargaon, Gadpayle (RO), Ratnapur Beat Forest Guard Omprakash Chahande, Parkar and officials and employees of forest department were prominently present.

District level exhibition on the emergency to be inaugurated today

Amravati 24 June (NAGPUR POST/DC): A district-level exhibition commemorating the Emergency period (1975-1977) shall be inaugurated today by the Amravati District Administration. During the Emergency, fundamental rights of citizens were curtailed and censorship was imposed on the press. Many who raised their voices against the situation were imprisoned. To remember this significant chapter of history, the exhibition has been organized at the District Collector's Office and will be inaugurated on Wednesday, June 25, at 10 AM by Divisional Commissioner Shweta Singhal and District Collector Ashish Yerekar.

Ensure 100 percent utilisation of Dist Annual Plan funds: Guardian Minister Dr Pankaj Bhojar

Wardha 24 June

POST/DC: Guardian Minister Dr. Pankaj Bhojar has directed all district departments to ensure 100% utilization of the funds sanctioned under the District Annual Plan, without returning any unspent amount to the government. Stressing on executing all development works with the highest quality standards, he urged departments to focus on impactful projects that uplift the district's image and reputation. The minister was addressing a review meeting at the Planning Bhavan, where he assessed the expenditure status of the previous year's general plan, Scheduled Caste Sub-Plan, and Tribal Sub-Plan, as well as the current fiscal year's progress up to the end of May. MP Amar Kale, MLC Dada Rao Keche, MLAs Sameer Kunawar, Sumit Wankhede, Rajesh Bakane, District Collector Vanmathi C., CEO Parag Soman, Superintendent of Police

Anurag Jain, Deputy Conservator of Forests Harvir Singh, Additional CEO Suraj Gohad, District Planning Officer Aniruddha Rajurwar, and heads of various departments were prominently present on this occasion. District Collector Vanmathi C. presented the financial report, stating that Rs 374.43 crore had been sanctioned last year under the three schemes, of which Rs 374.43 crore was utilized — a 99.99% expenditure rate. For the current year, a total of Rs 412.70 crore has been approved: Rs 350 crore under the general plan, Rs 44 crore under the SC sub-plan, and Rs 18.70 crore under the

tribal sub-plan. Dr. Bhojar emphasized that departments must prepare proposals in consultation with elected representatives, secure administrative approvals, and focus on meaningful development. Department heads were instructed to ensure high-quality execution of all works. Raising concern over the condition of public grounds used for various programs in Wardha city, the minister ordered that cleanliness and proper restoration must be ensured post-events. He warned that contractor payments should be withheld until such cleaning is satisfactorily

completed. During the meeting, MLA Rajesh Bakane highlighted complaints regarding 'Varun' brand soybean seeds being of substandard quality, which could potentially cause significant losses to farmers. Dr. Bhojar ordered the Agriculture Department to investigate the stock and quality of these seeds in the district and initiate a prompt inquiry. The minister declared that students selected through taluka and district-level science exhibitions will be taken to Raman Science Centre in Nagpur. Additionally, 51 child scientists selected at the district level will be sent on an educational visit to the Indian Space Research Organisation (ISRO) center in Bengaluru, aiming to foster scientific curiosity and excellence among students. Further, several key suggestions were presented by MPs and MLAs during the meeting. These included ensuring the availability of essential

medicines in hospitals, filling vacancies for teachers, completing school and Anganwadi construction and compound walls, improving cremation ground access roads, speeding up incomplete rural road projects, issuing land allotment certificates to housing scheme beneficiaries, extending security fencing to forest-adjacent villages, repairing hand pumps, addressing pending works from the previous year, expanding water supply schemes such as the Sevagram project, accelerating Jal Jeevan Mission works, issuing property tax documents in Arvi, taking measures to protect crops from wild animals, installing a new statue of Chhatrapati Shivaji Maharaj in Arvi, addressing unauthorized subsidy deductions by banks, completing Arvi's underground drainage system, and improving treatment facilities for burn patients.

MNS aggressive against Hindi language's compulsory imposition

WANI / NAGPUR POST:The Maharashtra Navnirman Sena has once again taken an aggressive stance opposing the government's decision to make Hindi compulsory in schools in the state. The letter sent by MNS President Raj Thackeray to the headmaster municipal council and private schools in Wani city was given through activists by MNS city president Ankush Bodhe. Initially, the government had decided to teach three languages from the first class. In this, Hindi along with Marathi and English were made compulsory. MNS opposed this. After the public opinion was formed, the government withdrew and clarified that Hindi is optional. However, no written order has been issued in this regard yet. Meanwhile, it is being observed that printing of third language books has started in some schools. It was expressed that if Hindi is imposed, Marathi language will suffer a great loss. Students should learn the desired language as they grow up, but unnecessary burden should not be imposed at a young age. For this, schools should take a firm stand. Otherwise, Raj Thackeray has also warned in the letter that MNS will come to schools for discussion. Copies of this letter are being given to the principals of all schools. MNS office bearers will also visit other schools in Yavatmal district. On this occasion, Ankush Bodhe, Amol Masewar, Vilas Chokhare, Mayur Gedam, Krishna Kukdeja, Yogesh Tadam, Zubair Khan, Hira Gohokar, etc. office bearers were present.

MP Amar Kale welcomes students on first day at Rasulabad

Uniforms and textbooks distributed on the occasion

Wardha 24 June (NAGPUR POST/DC): As schools of Wardha district celebrated the reopening ceremony for the new year, a special welcome program was organized at the Zilla Parishad Upper Primary

Adarsh School in Rasulabad, of Arvi Taluka. Member of Parliament Shri Amar Kale personally attended the ceremony to welcome the students. He interacted with parents and teachers, and distributed school uniforms and textbooks to the students. Students reached with great enthusiasm to attend their new academic journey. Notably, this school, which offers classes from Grade 1 to 10, is recognized as Maharashtra's first such school and has been ranked second among model schools in the state. Despite its achievements, local villagers raised concerns regarding the shortage of teaching staff at the school. MP Amar Kale assured them that he would address the issue in the upcoming District Planning Committee meeting. The Sarpanch Savarkar, members of the School Management Committee, teaching staff, social activists, women visited school to inspire and encourage the students.

Senior ticket examiner saves life of semi-conscious passenger

Nagpur 24 June: While on duty at the Foot Over

Bridge of Nagpur Railway Station, Senior Ticket Examiner Shri Amit Barelia noticed a passenger in a semi-conscious state. The passenger was sweating profusely and was barely able to speak, pleading for help. Without losing any time, Shri Barelia promptly responded with compassion and presence of mind. Observing that the passenger was alone, without a mobile phone, ticket, or any accompanying family member, he immediately took charge of the situation. Sensing the severity of the condition, Shri Barelia carried the passenger's bag and physically supported him

to New Era Hospital located near Platform No. 1. As the passenger's condition appeared critical, hospital staff, displaying urgency, coordinated with railway officials on duty to call for an ambulance from Mayo Hospital. Thanks to the timely efforts of Shri Barelia and his fellow colleagues, the passenger was safely shifted into the ambulance and provided with immediate medical attention. Shri Barelia stayed with the passenger for over two hours, standing by him like a guardian angel. For this commendable act, Shri Amit Barelia received heartfelt appreciation and congratulations from the entire ticket checking team and IRCSO. His humanitarian and sensitive gesture is truly inspiring and a shining example of the spirit of service that Indian Railways upholds.

Son kills father over farmland dispute

Chandrapur 24 June: An incident of a drunken youth stabbing his father to death with a sharp weapon over a farmland related dispute took place on the night of June 23 in Binba ward of Chandrapur city. The deceased Tarachand alias Darasingh Babusinh Bais (62), had a farm in his ancestral land at Morwada in Warora. His son Munna alias Sangramsinh Tarachand alias Darasingh Bais (30) was always arguing at home about the farmland. On the night of Monday (June 23), the suspect drank alcohol at home and started fighting with his father over a farmland dispute. When the accused could not control his anger due to being in an inebriated state, he took out a heavy sharp weapon from the house and attacked his father. The suspect inflicted serious injuries on his father's face, head and other parts of the body, killing him on the spot. Police have arrested the accused and a case has been registered at Chandrapur City Police Station under Section 103 (1) of the BNS. Further investigation into the case is being conducted under the leadership of Additional Superintendent of Police Rina Janbandhu, Naomi Satam, SDPO in charge, Sub-Division Chandrapur, PI Nishikant Ramteke. API Rajendra Sonavane and his team from Chandrapur city police are probing the case.

Bachchu Kadu warns government against provoking violent agitation

Demands immediate loan waiver implementation, announces 'Shetkari Nyay Yatra' from July 5

Amravati 24 June (NAGPUR POST/DC): "Do not compel us to resort to violent protests," warned Prahar Janshakti Party President and former Minister of State, Bachchu Kadu, as he issued a stern message to the government during a press interaction. He reiterated that while they have trusted the promises made by the state, the government must not push them toward aggressive agitation. "If the government has any conspiracy in mind, it will have to face the consequences," Kadu asserted. Criticizing the government's delay in announcing a concrete date for farm loan waivers, Kadu questioned, "Deputy Chief Minister Devendra Fadnis has said the loan waiver will happen at the right time — but what better time than now, when over 1,00,000 farmers have committed suicide in the past six months?"

Does the government want more deaths?" He appealed to the government to announce the exact date of the loan waiver during the upcoming three-day assembly session.

'Shetkari Nyay Yatra' to Commence from July 5

A 138-kilometre-long march titled "Saatbara Kora Kora Yatra" will begin on July 5 under the leadership of Bachchu Kadu, demanding justice for neglected communities such as farmers, farm labourers, widows, the disabled, unemployed youth, gram panchayat workers, shepherds, fisherfolk, and backward classes. The march will commence from Papal village, the birthplace of Dr. Panjabrao Deshmukh, and conclude at Chilgavhan — the village of Sahebrao Karpe, the first farmer reported to have died by suicide. The route includes key stops at Umbarada Bazaar, Bodegaon, Darwha, Tiwari, Tupatkhal, Kali Daulat, and Gunj. Over the course of seven days, participants will cover 138 kilometers. Bachchu Kadu clarified that the yatra is not about a single political figure but a people's movement for the rights of the working and farming communities. The key demands include:

- * Immediate halt to forced loan recoveries
- * Implementation of farm loan waiver
- * Enactment of policies to prevent farmer suicides
- * Employment and welfare schemes for widows and the disabled
- * Expansion of MNREGA from sowing to harvesting and increase in daily wages

* Education and self-employment opportunities for youth

* Public meetings and community dialogues will be held at every stop to understand local issues and rally support.

'Enough of Suicides', Bachchu Kadu's Emotional Call

"During the indefinite hunger strike, lakhs of farmers stood with me. Now, I am walking to their villages to meet them personally. This journey is for your survival, your children's education, and your family's well-being. Set aside caste, religion, and politics — stand united for the cause of farmers and labourers. Vote for whoever you like, but unite for justice."

— Bachchu Kadu, Former Minister of State

'Sindur Yatra' from Ramayana to Constitution — A Symbolic Protest Against Farmer Suicides

In another initiative, Prahar leader Bachchu Kadu will lead the 'Sindur Yatra' from August 5 to 9. The journey will begin from the sacred Shri Ram Mandir in Nagpur and culminate at the historic Deekshabhoomi in Nagpur on Kranti Din (August 9). The symbolic march aims to raise awareness about the alarming rate of farmer suicides caused by mounting debt. Kadu emphasized that these deaths often lead to widows losing not just their husbands but their marital identity — including their sindur and mangalsutra. The yatra will highlight the confluence of devotion (Ramayana) and constitutional rights (Constitution). Organizers stated that this campaign will include public awareness programs, farmer dialogues, and formal appeals for robust policy interventions to prevent farmer suicides.

Amravati, Wednesday 25 June 2025

MLA Pratap Adsad welcomes students on first day of academic session at Palaskhed ZP school

Amravati 24 June (NAGPUR POST/SALIL KALE): The new academic year began on a vibrant note at the Zilla Parishad Upper Primary School in Palaskhed, Chandur Railway Taluka, where the school enrollment drive was celebrated in the presence of MLA Pratap Adsad. Welcoming the young

children to the school, MLA Adsad emphasized the crucial role of education in building a strong nation. "These young children are the foundation of our country's future. Quality education in rural areas is key to ensuring equal opportunity and overall development. The first day of school should be

memorable and motivating for every child," said MLA Pratap Adsad while addressing the gathering. The programme created a festive atmosphere, with school staff and local representatives joining hands to ensure that the children felt welcomed, confident, and excited to begin their academic journey.

Man critically injured in stabbing incident rescued

Amravati 24 June (NAGPUR POST/DC): A shocking stabbing incident occurred late Friday night in the jurisdiction of Nagpuri Gate Police Station. Ahsanuddin Sirajuddin (52), a resident of Arafat Colony, was attacked by an unidentified assailant who stabbed him five times with a knife. The assault resulted in severe injuries, with wounds to his chest and waist causing significant blood loss. Timely intervention by nearby citizens saved his life, and he was rushed to the District General Hospital. Due to the critical nature of his condition, he was later shifted to a private hospital for further treatment. The incident created panic in the area, and a large crowd gathered at the hospital. Nagpuri Gate police have launched an investigation to identify the attacker and determine the motive behind the assault.

Two externed youths caught with weapons in separate incidents

Amravati 24 June (NAGPUR POST/DC): In a crackdown led by Crime Branch Unit-2 under the direction of Police Commissioner Arvind Chawariya, two externed individuals were arrested for illegally carrying weapons. (25), of Vilasnagar, was arrested with a weapon near the Vilasnagar crematorium under Gadge Nagar Police limits. Both were charged under relevant sections of the Maharashtra Police Act and the Arms Act. Two dangerous weapons, worth approximately Rs 2 thousand were seized. The operation was conducted under the supervision of DCPs Ganesh Shinde, Kalpana Barkar, ACP Shivaji Bachate, and PI Sandeep Chavan, along with a dedicated police team.

Missing woman reunited with kin in just 4 hours

Amravati 24 June (NAGPUR POST/DC): In a heartwarming incident on June 22, a mentally ill woman who had gone missing was traced and reunited with her family within four hours, thanks to the swift action of the Amravati Municipal Corporation's 'Aadhar Shelter Home' team. The woman was found lying on the road outside the residence of MP Dr. Anil Bonde. After receiving a call from Dr. Anil Harvani's wife, the municipal team quickly rescued her and took her to the shelter home in Badnera. Despite initial difficulty in identifying her, a photo shared on social media led to her family locating her. She was later identified as Pranjal Sanjay Gangole's aunt and was safely handed over to the family. Deputy Commissioner Yogesh Pithe and Assistant Commissioner Dhananjay Shinde guided the operation while Shelter Home Director Rajeev Basvanathe and Manager Jyoti Rathod led the efforts.

Medical officer suspended over alleged negligence

Yavatmal 24 June: Medical Officer at Kayar Primary Health Centre, Dr. Amit Shende has been suspended for alleged negligence that led to the death of one Sonu Lode from Purad village ten months ago. On September 6, 2024, Sonu was taken to the health centre for acidity-related issues. Her husband, Manik Lode, alleged that Dr. Shende neglected her treatment,

and failed to arrange an ambulance. She was later taken to a private hospital in Wani, where she was declared dead. Following intervention from State health secretary Nipun Vinayak and commissioner Amgothu Naik (IAS), Deputy Secretary Deepak issued Dr. Shende's suspension order, triggering concern in the health department.

Students forced to study in open amid tin roofs blown away in two schools

Churni 24 June (NAGPUR POST/TC): In a concerning situation, Zilla Parishad schools in the villages of Chikhli and Bamadehi in Chikhaldara Taluka are in a dilapidated condition. Summer storms blew away the tin sheet roofs of the school buildings, and no repairs have been made so far. With schools set to reopen soon, students face the possibility of studying in the open. Both villages have a majority of tribal population, and the lack of basic educational infrastructure has sparked outrage among residents. Villagers have demanded immediate action. Rameshwar Malve, the Block Education Officer, stated that proposals for repair have been sent to the Zilla Parishad and work will begin shortly.

Army orders 450 Nagastra-1 suicide drones from Nagpur’s Solar Industries

Nagpur 24 June: The Indian Army has placed an order for 450 Nagastra 1R loitering munitions, commonly described as suicide drones with Nagpur-based Solar Industries, marking a notable step in India’s move towards indigenously-produced military technology, as reported by media. The order was secured under the Army’s emergency procurement powers, following a 2024 contract for 480 Nagastra units. An initial batch of 120 drones was delivered in June 2024 after pre-delivery inspections, according to defence officials. Equipped with GPS-guided targeting and capable of operating at altitudes over 4,500 m, the electrically powered Nagastra 1R can loiter for up to an hour and strike targets within a 15 km man-in-loop range, or up to 30 km in autonomous mode. Unique among such systems, this drone features a parachute recovery mechanism for aborted missions, allowing for reuse. Manufactured with over 75 per cent indigenous components, the Nagastra 1R has been deployed operationally against low-end threats like platoons of infiltrators, providing silent, cost-effective precision-strike capability. The procurement supports India’s broader Make in India defence initiative, reducing reliance on foreign suppliers, while enhancing tactical flexibility, especially along border areas with insurgent activity. Deliveries

of the new batch are expected in phases. The suicide drone joins other recent domestic orders and falls within India’s growing strategy of equipping infantry and artillery units with loitering munitions, as the defence ecosystem shifts toward drone-intensive warfare. The Nagastra-1R is a cost-effective system with full re-usability of launcher systems. The advanced loitering munition system comes with a 3600 gimbal camera with the option of putting thermal camera option for night operations. The systems have a proprietary encryption for both video and telemetry communication and come with a high precision targeting system with 2 metres CEP and over 75 per cent indigenous content. The systems have been tested at various locations, including Ladakh and Babina near Jhansi in Uttar Pradesh, said the sources.

Two fake cops trick & rob ex-ASI of Rs 1.50 lakh gold in Ajni

Nagpur 24 June: Two crooks posing as police officers stole gold jewellery worth Rs 1.50 lakh from a 75-year-old retired Assistant Sub-Inspector (ASI) in broad daylight. The incident took place near Venu Corner Hotel on Manewada Road under jurisdiction of Ajni Police Station. The victim, Dashrath Dhondabaji Barghat, a resident of New Kailas Nagar, had gone for his regular morning walk on Sunday. Around 8.30am, while he was returning home, two unknown men stopped him near Venu Corner. Pretending to be police officials, they told him, “There was a theft in this area yesterday. Take care of your jewellery.” Dashrath removed

the gold chain from his neck and the ring from his finger. At that moment, one of the impostors suddenly snatched the jewellery and fled the spot. Dashrath shouted for help and nearby citizens quickly gathered. One of them immediately informed the Ajni Police Station. A police team rushed to the spot and recorded Dashrath’s statement. Based on his complaint, police have registered a case under relevant sections of Bharatiya Nyay Sanhita related to cheating and impersonation. The area’s CCTV footage is being checked to identify the suspects. A search operation is underway to trace the accused, said a police officer.

Nagpur sets example with rapid legal action in women’s safety case

Nagpur 24 June: In a rare show of speed and efficiency, the Sadar Police in Nagpur filed a chargesheet within just 15 hours of registering a molestation case. The accused, a 47-year-old man, allegedly molested a woman and threatened her with the release of a private video if she reported the incident. The case was registered under the new provisions of the Bharatiya Nyaya Sanhita (BNS). Upon receiving the complaint, the police acted swiftly, arresting the accused and launching an immediate investigation. The team, led by Senior Inspector Manish Thakre, included PSI Sadiya Somankar, Nilesh Ghogare, and several other officers who worked through the night to gather statements, collect digital and medical evidence, and compile the chargesheet. According to officials, the swift action was taken to ensure justice and send a strong message against crimes targeting women. The chargesheet was filed with the magistrate’s court within 15 hours of the complaint, marking one of the fastest investigations in a molestation case in the city. This is not the first time Nagpur Police have acted promptly. Similar rapid chargesheet filings have been done recently by Belarodi and New Kamptee Police, who submitted chargesheets within 13 and 19 hours respectively in separate cases. Police officials stated that such prompt actions are helping reduce crime and build public trust. They also credited the quick filing of chargesheets with contributing to a noticeable decline in rape and molestation cases across Nagpur. The accused remains in custody as legal proceedings move forward.

Nagpur Division resolves decade long water logging at LHS near LC gate No. 41 with permanent drainage solution

Nagpur 24 June: In a major relief to road users and nearby villagers, Central Railway’s Nagpur Division has resolved a long-standing water logging problem at the Limited Height Subway (LHS) near LC Gate No. 41 by executing a permanent drainage solution. The project was completed on 27th May 2025, just in time for the onset of monsoon, ensuring all-weather connectivity and safety. The LHS was commissioned in 2015 following the closure of LC Gate No. 41. However, in the absence of natural drainage, it remained prone to heavy water accumulation during rains—often disrupting traffic and requiring diesel-operated pumps every year to clear the sump. Despite repeated

temporary efforts, the issue

and coordination, a 600-mm

RCC pipeline was laid using trenchless pipe-pushing technology to avoid damage to the agricultural land. The new pipeline system now permanently drains water from the LHS sump to the stream, with inspection chambers for easy maintenance. This smart and sustainable solution has eliminated the need for recurring pumping operations. It ensures uninterrupted road access throughout the year, particularly during monsoons, benefiting commuters, school buses, and emergency services. With this project, Nagpur Division has once again demonstrated its commitment to public welfare and sustainable engineering, and long-term infrastructure planning.

Mahadeo Land Developers scam: Investors to receive refunds from June 30, HC informed

Nagpur 24 June: In a significant development in the long-pending Mahadeo Land Developers fraud case, the Nagpur Bench of the Bombay High Court has been informed that the process of refunding money to investors will commence from June 30, 2025. The official liquidator, appointed to oversee the recovery and disbursement of funds, provided this update during a recent hearing. The case pertains to Mahadeo Land Developers, which had promised attractive monthly incentives to investors in exchange for fixed deposits under its schemes. However, the company failed to honour

these promises, prompting Sanjay Nimbalkar and 47 other investors to approach the High Court seeking relief. During the hearing, the official liquidator informed the court that so far, 49 properties belonging to the company have been auctioned. Out of these, 31 properties remain unsold, while the auction process has generated Rs 2.59 crore. In addition, the company has received Rs 6.70 crore from other sales, of which Rs 5 crore has been deposited in the dividend account for distribution to creditors. The court has now directed the liquidator to submit a detailed report regarding the refund

process by July 4, 2025. The Income Tax Department had earlier staked a claim for preferential payment under Section 530 of the Companies Act, 1956. However, the liquidator’s legal counsel informed the court that there is no valid preferential claim made by the department as per the provisions of the Act. The High Court has ordered that this decision be formally communicated to the Income Tax Department through their representative. The liquidator’s counsel further informed the court that efforts are underway to sell the remaining 31 properties.

Advertisements will soon be published in newspapers to invite buyers, following due process under the Companies Act, 1956. The court has also directed that a complete list of properties already sold be placed on record. According to the liquidator, 2,931 claims from investors have been received to date. Of these, 2,021 claims have been verified and settled. The remaining claims are under scrutiny, as many are based on photocopied documents. Investors have been instructed to submit original documents for verification to ensure eligibility for refunds. It may be recalled

that in 2011, Mahadeo Land Developers director Pramod Agrawal masterminded a massive investment scam, duping over 3,000 to 4,000 people, including daily wage earners, to the tune of Rs 500 crore through fraudulent schemes under Mahadeo Land Developers and the Kalama Society. Agrawal lured innocent investors with promises of land and hefty returns, only to defraud them of their hard-earned savings. The recent court developments have rekindled hope among the victims, who have waited over a decade for justice and the recovery of their investments.

Transparency, accountability priority in 11 years

UMARKHED/NAGPUR

POST:The 11 years of the concept of developed India are a golden moment for the country. The Modi government has changed the direction and condition of the country on the strength of determination, consistency and dedication for the welfare of the people. BJP District Coordinator Nitin Bhutada said in a press conference that transparency and accountability have been given priority during the Modi government by curbing corruption, appeasement

and nepotism. The NDA government at the center under the leadership of Prime Minister Narendra Modi has completed 11 years. These years have been dedicated to service, good governance and welfare of the poor. During this tenure, the government has brought about positive changes in the lives of the common man, mentioning the work of the Modi government. Against this backdrop, Nitin Bhutada gave information about the remarkable work of the Modi government. He said that the administration has been structured based on the basic mantra of Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas. In the past 11 years, efforts have been made to bring women to the center of leadership. A large number of women entrepreneurs are among the 30 crore beneficiaries of the Mudra scheme. Under the PM Awas Yojana, 70

percent of the houses are in the name of women. 3.98 crore women have benefited from the Matru Vandana Yojana. Bhutada said that the Nari Shakti Vandana Act is a historic step in providing justice to women. The government has created 17 crore new jobs. Startup India and Skill Development Schemes have given youth an opportunity to enter the industry. The number of medical colleges has doubled. 1.42 crore youth have been given skill training, Nitin Bhutada said. Under the PM Kisan Yojana, Rs 3.7 lakh crore was directly given to 11 crore farmers. Nitin Bhutada said that financial assistance of Rs 93 thousand crore to irrigation projects, compensation of Rs 1.75 lakh crore in the crop insurance scheme and continuous increase in the support price have brought stability to the lives of farmers.

Wardha 24 June (NAGPUR POST/DC): Dr. Asfia Quadri is India's first female orthopaedic surgeon and chiropractor, proudly carrying forward a rich legacy of osteopathic care that dates back to 1935. Born into the renowned Quadri family—revered across generations for their "magical hands"—she is the granddaughter of Dr. G. A. Quadri and daughter of Dr. Aleem Quadri. Her father, a pioneer in non-surgical spine care, treated over a million patients during his 45-year career. He founded the Quadri Spine Manipulation Technique, an evidence-based approach that transformed the way spinal conditions are managed without invasive procedures. Now, Dr. Asfia is

taking this legacy to the next level. By integrating modern allopathy with naturopathy, she is evolving the Quadri Method into a holistic, science-backed approach to spine care. Her mission is to heal with compassion, combining the best of tradition and modern medicine to transform lives—naturally and effectively.

NMC completes cleaning of 227 drains across city

Nagpur 24 June: In a proactive move to prevent waterlogging during the upcoming monsoon season, the Nagpur Municipal Corporation (NMC) has completed the cleaning of 227 major drains across the city on Tuesday, June 24. This initiative is aimed at ensuring that low-lying areas do not face flooding due to clogged drainage systems. On Tuesday, Additional Commissioner (Urban) Vasumana Pant conducted a field inspection of the ongoing drain cleaning operations. She reviewed the Vikasnagar Nala in the Dharampeth zone and another site in Laxminagar zone, assessing the progress of the pre-monsoon desilting work.

Modi government's policy will affect citizens

Foreign policy causing losses to the country: Sikander Shah

YAVATMAL / NAGPUR

POST:The bright future of any country depends on its foreign policy. However, in India, due to the Modi government's policy, the citizens are suffering from inflation, while farmers are suffering losses due to the wrong import-export policy. Now, with the shadow of a third world war looming, farmer leader Sikander Shah has expressed his fear that the country will suffer huge losses due to the lack of a concrete foreign policy. The entire world is likely to be affected by the Israel-Iran war. America has also now jumped into this war. Meanwhile, while India needs to stand firm with its old friend Iran, the Modi government is not ready to take any concrete decision. On the one hand, America invited Pakistan's army chief Munir to the White House and honored him. On the other hand, the same Munir is working to encourage terrorist activities against India. Despite this, the Modi government is showing faith in the Trump government of the US. Even though India is a developing country, the US imposed tariffs on Indian goods. Therefore, Sikandar

Shah has said that India should not abandon its old friend Russia and follow the US. Not supporting Iran is likely to have a major impact on the crude oil trade. It is feared that the prices of petrol and diesel will increase by about fifteen to twenty percent due to oil shortage. If this happens, the prices of transport will increase and the prices of other essential commodities will also skyrocket. Considering all these factors, Sikandar Shah has appealed to the Modi government to stand by Iran. When a crisis hits the country, there is no one in power or no one in opposition. In such a crisis, unanimous decisions are necessary. That is why, as per the suggestion of the Indian government, many MPs of the opposition party went abroad and criticized India's stance against Pakistan. On the other hand, the Modi government has not given any information to the opposition leaders. Even today, while demands are being made on many issues, the Modi government is not giving any value to the opposition leaders. Sikander Shah has criticized this as dangerous and unfortunate for democracy.

Meritorious students felicitated by women dignitaries

Amravati 24 June (NAGPUR POST/DC): The Veerashaiva Lingayat Multipurpose Service Society honoured meritorious students from Class 10 and 12 with distinction marks during a special felicitation ceremony. What made the event remarkable was that the awards were presented by esteemed women from

the community, underscoring the growing role of women in education and societal development. The event was presided over by Madhuri Mendse, accompanied by other dignitaries like Vijaya Gudhe, Sanjeevani Bhogankar, Sharda Gawhane and several others. The program began with an introductory speech

by Kavita Barmakar. Savita Gudhe conducted the proceedings, and Minal Kadode delivered the vote of thanks. The ceremony highlighted the importance of education and the increasing contribution of women across various fields, including science, administration, and defense, making it an inspiring event for the community.

Salekasa 24 June (NAGPUR POST/TC): In today's era, employees and businesspersons are enrolling their children in big private schools. Due to this, the number of students in the Zilla Parishad school in the village is decreasing day by day, so Anil Padalkar, an assistant teacher at Zilla Parishad School Kadotola, has created a role model for the society by enrolling his son in the Zilla Parishad school. A Prayashsav programme for new children as well as a free textbook and uniform programme was held at ZP School Kadotola. The newly admitted children were felicitated by giving bouquets of flowers. Four students from outside the village were also admitted. The programme was chaired by Shailesh Shahare. Other dignitaries including chief guest Santosh Bohare, deputy chairman Salekasa Sarpanch Amrapali Kotagale, Kishor Walde, Principal Ajay Uke, Sanjay Nandeshwar, Sanjay Kore, Lata Walde, Ashish Kore, Pawan Shahre, and other guests were present on the occasion. The dignitaries wished everyone a happy new academic year. The programme was inaugurated by director Anil Padalkar. Vishal Pandhavale proposed the vote of thanks. The programme concluded by distributing sweets to all the students.
